## **Grant Funding Information for Parents**

**Many children from 9 months to 4 years old are now entitled to funding towards early education or childcare.**

- This must be with an approved childcare provider
- Funding stops when your child starts in Reception class (or reaches compulsory school age, if later)
- Funding is effective for working families from the term after your child turns 9 months old or for non-working families from the term after their 3rd birthday.
- Up to 30 hours funding is available for approximately 38 weeks, in line with school term times

**Autumn Term (September to December)**

**Spring Term (January to April)**

**Summer Term (May to August)**

Details of the administration process can be found here:  
<https://www.childcarechoices.gov.uk/>

**Entitlement – it is your responsibility to register and update 15 hours and 30 hours grant funding.**

- All children aged 3/4yrs in England get 570 hours of funding per year. It's usually taken as 15 hours a week for 38 weeks of the year
- From September 2024 most working families with children between 9 months and 4 years old will be entitled to up to 30 hours of support
- You can usually get 15 hours or 30 hours of working families' funding if you (and your partner, if you have one) are:
  - In work - or getting parental leave, sick leave or annual leave
  - Each earning at least the National Minimum Wage or Living Wage for 16 hours a week

We are committed to maintaining the quality of our offering.

The level of funding provided alone does not enable us to sustain our current high standards of care, administrate this process and adhere to the increased costs of National Living Wage, pensions, and cost of living increases.

A daily rate is applicable for services on grant funded days for services such as:

- Provision of up to three meals per day
- Fresh fruit and snacks
- Outside providers, Toddler Tennis, Kids Lingo, Stagecoach, Rugby Tots etc
- Administration of the claims process

Services fees from September 2024 apply to both 15 hours and 30 hours funded children.

- Full Day: £20.00
- School Day: £19.00
- Half Day: £15.00
- Extension rate where funding covers 5 hours of a full day only £35.00

The 30 hours funding is available for approximately 38 weeks in line with school term times.

Solihull Day Care will charge the full daily rate during school holidays, sessions not covered by funding and days outside of the funding periods instructed by SMBC.
