

SEN NEWSLETTER

SOLIHULL
DAY CARE

SPRING 2
2026

Welcome to our next newsletter of the academic year. Our half-termly newsletter will keep you up to date with the latest advice and guidance, and information on how you can find further support. We hope you find it helpful! - SEN Team

Our SEN Vision

At our nursery, we are committed to the inclusion of all children by providing a welcoming, supportive, and nurturing environment. We value each child as an individual, ensuring their unique needs are met through positive experiences and meaningful opportunities to learn alongside their peers. We work in close partnership with families, make reasonable adjustments where needed, and strive to ensure no child is disadvantaged. Our aim is for every child, including those with special educational needs, to thrive and reach their full potential within a broad and balanced early learning environment.

As we welcome a new term at Solihull Day Care, we are excited for the opportunities ahead - full of curiosity, creativity, and connection. We look forward to continuing our journey of supporting each child as an individual, nurturing their interests, and encouraging a love of learning through play and exploration.

The Local Offer

The Solihull SEND Local Offer website provides clear, accessible information about the support and services available for children and young people aged 0 to 25 with SEND in the Solihull area.

It includes details on education, health and social care, helping families understand what they can expect from local agencies, and how to access support.

Early Identification at Solihull Daycare

At Solihull Daycare, the children are at the heart of everything we do.

We aim to identify the needs of all children as early as possible. This is part of our graduated approach, in which we **Assess, Plan, Do, Review**. This on going cycle ensures effective provision is put in place to allow your child to thrive. If you have any concerns about your child or their progress; please contact the SENCo to discuss this further.

In the Spotlight...

Celebrating Neurodiversity

At Solihull Daycare, we believe every child is wonderfully unique, and this term, we're shining a light on neurodiversity.

Neurodiversity is the idea that all brains work in different ways, and that these differences are something to celebrate. Children may think, learn, communicate, and experience the world in their own individual ways. This includes children with autism, ADHD, dyslexia, and many other ways of thinking and being.

In our setting, we embrace these differences by creating an inclusive, nurturing environment where every child feels valued and supported. Whether it's through adapting activities, offering quiet spaces, or celebrating each child's strengths and interests, we aim to help every child thrive in their own way.

We also encourage our children to appreciate and respect differences in others - building kindness, empathy, and understanding from an early age.

By celebrating neurodiversity, we are helping all children grow into confident individuals who feel proud of who they are.

If you'd like to know more about how we support neurodiversity at Solihull Daycare, please do not hesitate to contact Elly or Sophie.
